Hair Qualifications

ProQual 

Hair Qualifications

Level 1 - Level 4

ProQual's Hair Qualifications are based on the National Occupational Standards and are designed to support and prepare learners starting out in the Hair industry through to the more advanced levels in the Hair sector.

They are suitable as on the job training, as well as colleges, schools and sixth forms. With both certificate and diploma sizes, hairdressing and barbering pathways, and a range of optional units, these qualifications offer flexibility to deliver in a way that works for you - including no external assessments or exams.
